

INTEGRITY IN DANCE AND LIFE
www.eldoradodance.com

Hello EDDA Dancers and Families,

The safety and wellness of our students, families and instructional team is one of our highest priorities. In recognition of the statewide COVID-19 situation and its potential impact of El Dorado County, El Dorado Dance Academy has made the decision to follow the instructions of the El Dorado County Department of Health, as well as the El Dorado County Board of Education (EDCOE) to suspend classes for the duration of one week, as a **temporary closure from Monday, March 16-Sunday March 22, 2020.**

El Dorado Dance Academy will reassess at the end of the week whether an extension of the studio closure is recommended based on the directives coming from WHO, CDC, EDC Dept. of Health and EDCOE.

Please note: There are still NO POSITIVE result Coronovirus (COVID-19) tests reported in El Dorado County.

But in an effort to take seriously our role as good citizens in mitigating the potential spread through community gatherings, as EDDA's executive Director I wish to ensure all of our families that we have been watching closely as the situation develops.

Please stay tuned on FaceBook and Instagram to participate in our "Perfect Pirouette Challenge" and other fun postings where our dancers can interact, post their progress and get feedback and comments from their dance teachers!

During this time, we encourage our families to:

1. Avoid large public gatherings such as malls, movie theatres and other indoor spaces that have people in close proximity
2. Use social media to stay in touch with us at EDDA!
3. Postpone visits to elderly (or anyone with compromised immune systems)
4. Wash hands with soap for at least 20 seconds numerous times per day

This is an evolving situation where information and circumstances can change quickly. As a small business, an extended closure could have a very deleterious impact on the livelihoods of our instructional faculty, not to mention the ability for a small studio to continue to pay rent, bills, etc. We want to get back to teaching as quickly as possible, and continue our love of dance!

So, rest assured, once it is safe, we intend to fully resume dance classes and work toward our exciting end of the year Summer Concert: DREAMS 2020!

Stay safe, we care about our dance families very much!

Miss Debi
