El Dorado Dance Academy takes every precaution to ensure your child's safety as we are committed to anatomically informed and injury free dance. Yet, as dance is a physical activity, injuries may occur. EDDA instructors and staff are not responsible for injuries occurring before, during or after class. Each student may decline to participate in any activity which they deem to be harmful and must inform the instructor of any physical limitations that may prevent full participation in class.

I hereby declare that I have provided and will continue to provide adequate and complete health insurance coverage to protect my child in case of injury or accident. Such insurance includes coverage for any and all activities in which my child will participate with EDDA. I understand and agree that EDDA does not, and cannot, assume any financial responsibility for any medical assistance or care my child may require.

I am aware that dance programs are to be considered strenuous physical activities. Therefore, I have received the consent of my physician for myself or for my child to participate in this program.

I/we the undersigned parent(s) of _____, a minor, do hereby authorize El Dorado Dance Academy, as agents for the undersigned in our absence, consent to x-ray examination, anesthetic, medical or surgical diagnosis or treatment, and/or hospital care which is deemed advisable by, and is to be rendered under the general or specific supervision and upon the advice of any physician or surgeon licensed under the Medicine Act, whether such diagnosis or treatment is rendered at the office of said physician or at the duly licensed medical facility. This authorization is given pursuant to the provisions of section 25.8 of the Civil Code of California.

The authorization shall remain in effect for one (1) year or until revoked in writing and delivered to said agent(s).
